Established in 1938, **Canadian Power & Sail Squadrons (CPS)** is a nationwide organization of recreational boating enthusiasts. CPS is a charitable organization with over 30,000 active members. Our volunteer instructors help recreational boaters improve their boating safety knowledge as well as their vessel handling and navigation skills. Successfully complete the Boating Course or Boat Pro and receive a one year complementary membership to CPS with access to member benefits.

The Boating Course

Canada's premier recreational boater's course

Canadian Power & Sail Squadrons
Volunteers Teaching Safe Boating

The Boating Course

Whether you are interested in power-boats, sailing vessels or kayaks, this course is for you! Enjoy boating activities year round by taking *The Boating Course* this fall or winter.

The Boating Course provides in depth boat operation and safety training. As well, you will experience the challenge of plotting and navigation.

Best of all, you will interact and make new friends with fellow recreational boaters while taking part in Canada's premier boating course.

Successful completion of the accredited examination (midterm) will allow you to receive your Pleasure Craft Operator Card (PCOC).

Pass the final exam and receive a one year complementary membership to CPS, with access to the benefits of Canada's largest association of recreational boating enthusiasts.
