Established in 1938, **Canadian Power & Sail Squadrons (CPS)** is a nationwide organization of recreational boating enthusiasts. CPS is a charitable organization with over 30,000 active members. Our volunteer instructors help recreational boaters improve their boating safety knowledge as well as their vessel handling and navigation skills. Successfully complete the Boating Course or Boat Pro and receive a one year complementary membership to CPS with access to member benefits.

Seamanship

The art of operating a vessel

Volunteers Teaching Safe Boating

Seamanship

As a CPS Boating Course graduate, you expect more from your boating experiences. You plan next year's season to be better than ever. Our advanced level courses expand your enjoyment by strengthening your boating skills.

The Piloting Course extends the navigation and vessel-handling techniques introduced in the Boating Course. The course presents the three aspects of piloting.

1. Navigation and Plotting Skills: interpretation of charts and chart symbols; the DR plot; bearings; Fixes and running Fixes; determination of course to steer in a current, and determining distance off.
2. Seamanship Skills: understanding the hazards of weather, wind, waves, currents, tides and tidal currents, and how to deal with them.
3. Boat Capabilities and Performance: hull speed, stability, rudders and propellers.
